## DRIVE 1:

From **Switzerland drive the Black Forest High Road (B500)** all the way North to the spa-town of **Baden-Baden**:

**270 KM** — Embark on a scenic journey from Switzerland to Germany by driving the Black Forest High Road (B500). This iconic route winds through the picturesque Black Forest, offering breathtaking vistas of dense forests, rolling hills, and charming villages. Starting in Switzerland, head north and traverse this well-paved road, known for its smooth curves and panoramic views. The drive culminates in the historic spa town of Baden-Baden, renowned for its thermal baths, elegant architecture, and cultural attractions. Along the way, enjoy scenic stops, local cuisine, and the serene beauty of one of Germany's most famous scenic drives.

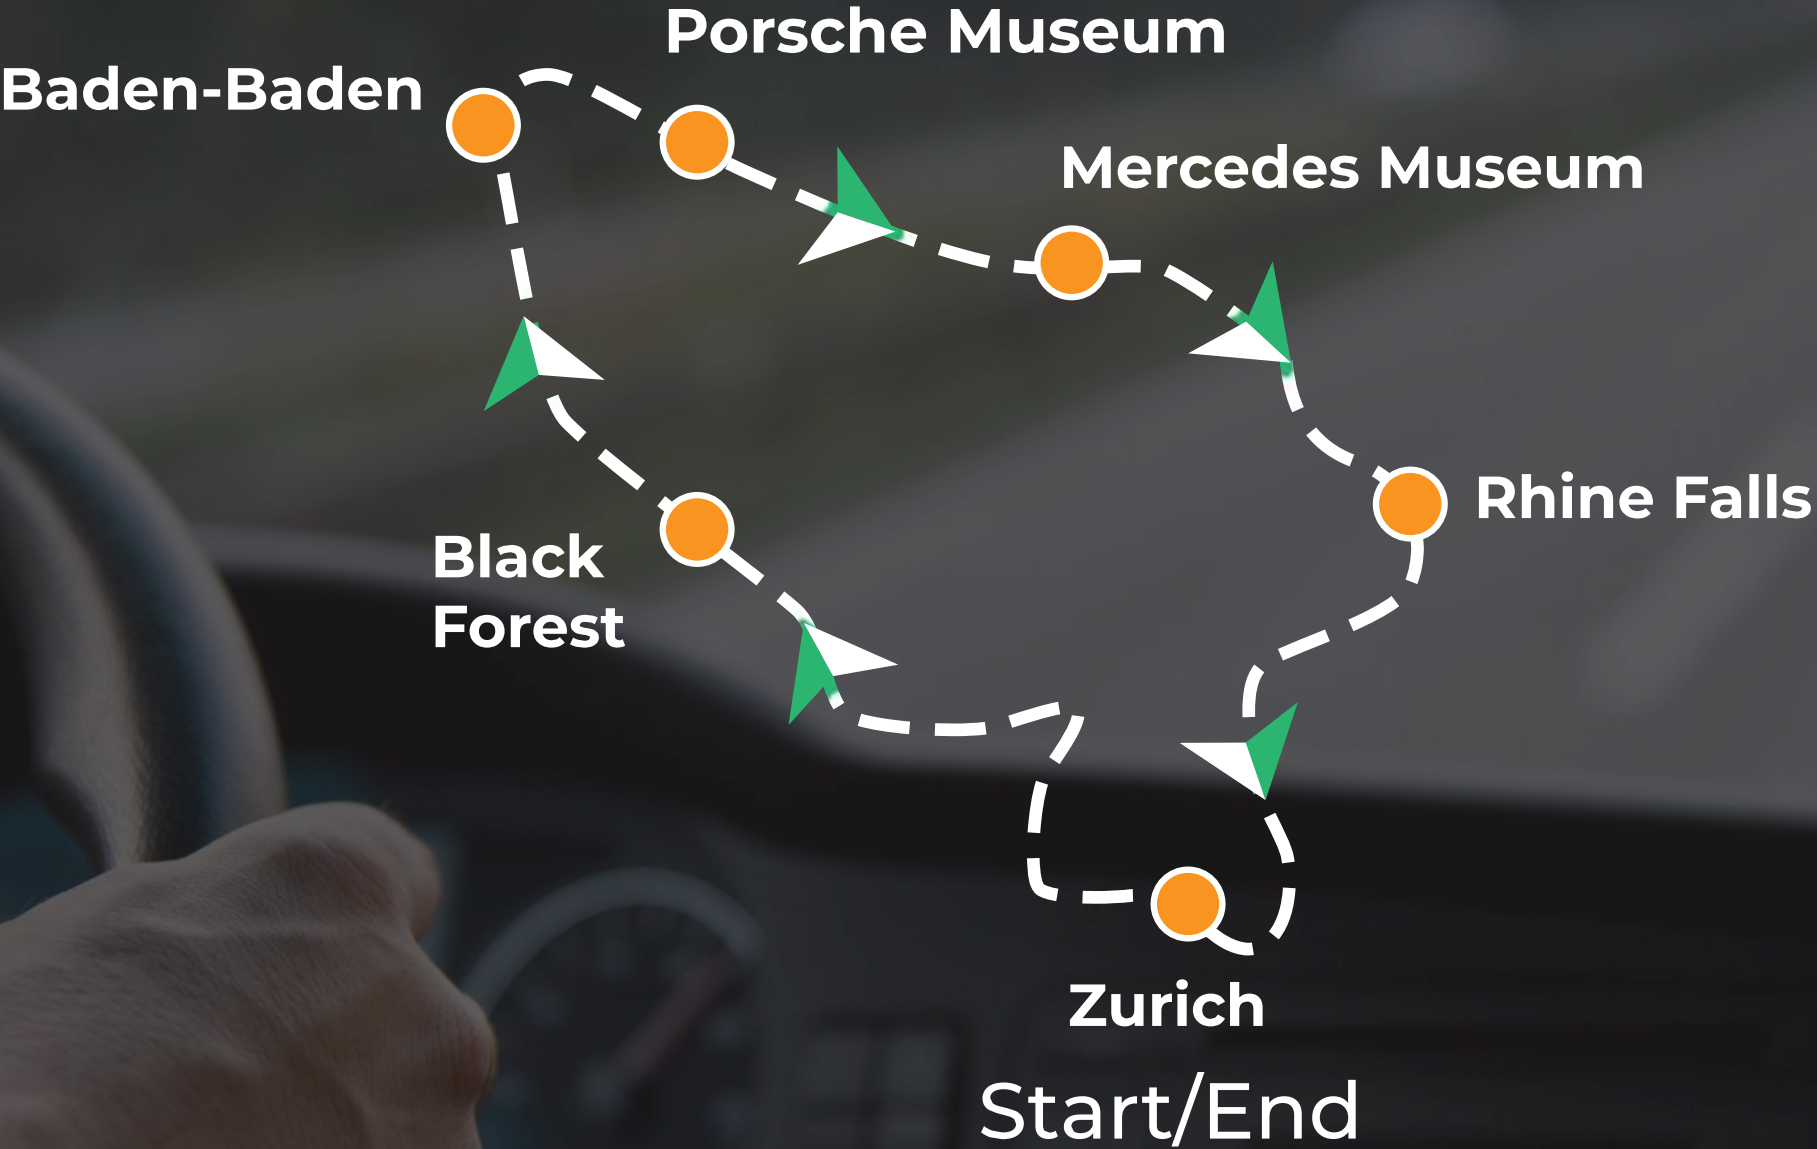

## DRIVE 2:

Explore the **Mercedes and Porsche Museums in Stuttgart**, then visit the Swiss Rhine Falls, seamlessly linked by the unrestricted **German autobahn**:

**340 KM** — Embark on an exhilarating journey starting with the Mercedes and Porsche Museums in Stuttgart, where automotive legends come to life. Immerse yourself in the rich history and cutting-edge technology of these iconic brands. Then, hit the German autobahn, renowned for its unrestricted speed zones, and enjoy a thrilling drive through scenic landscapes. Arrive at the Swiss Rhine Falls, Europe's largest waterfall, offering breathtaking views and a serene contrast to the high-speed adventure. This seamless route combines automotive excellence, engineering marvels, and natural beauty, creating an unforgettable travel experience for car enthusiasts and nature lovers alike.

# The Hotels

**Hyatt Regency Zurich** is just a few steps from the terminals and within the new “Circle” district – an urban location with various shops, restaurants, the iconic Convention Center and an extensive park. The comfortable rooms and suites with views of the park or the Circle are inspired by Swiss design. Experience 24/7 fitness centre, sauna with relaxation area, fine Levante food and drinks with a view of the Circle at Babel restaurant and Iris bar. A direct connection takes you to the city centre or Lake Zurich in just a few minutes.

**Aqua Aurelia:** Built on the site of the Roman thermal baths, the Aqua Aurelia embodies Baden-Baden's traditional savoir-vivre. Take advantage of our central location in the romantic spa district and walk to all of Baden-Baden's attractions. Aqua Aurelia is a family-run hotel, that continues a 250-year-old family tradition of hospitality. The Aqua Aurelia Suite Hotel has 46 lovingly furnished suites, restaurant with a Mediterranean ambiance and a sun-drenched terrace, a modern conference room and a cosy lounge

# Porsche Car Museums:

Established in 1931, the models produced here are the 911, 718 Boxster, Panamera, Macan, Cayenne, Cayman, and the Taycan. This will give you a completely new view of the Porsche models, from engine construction, through the upholstery shop to the final assembly of the & marriage & the uniting of the drivetrain and chassis with the body.

Experience the new interactive, Porsche Touchwall. This 12-meter-long installation covers nine decades of exciting automobile history based on 3.000 pictures, drawings, and technical data allowing the visitor to explore almost all Porsche street- and race cars.

# Mercedes Car Museums:

Established in 1915, Mercedes in Sindelfingen employs over 35,000 people and produces over 220,000 cars per year. The models produced are the E-Class, S-Class, Maybach S-Class, GLC, and the EQS.

Experience the 125-year history & the Legend halls that take you on a journey through time, from the dawn of automotive history in 1886 to the present day. Travel through a series of theme-based collections spanning various eras, housed in five different Collection halls.
